To Whom It May Concern:

It is an honor to provide this letter of recommendation for Baroness Kimberly Moore.

Baroness Moore is a woman who could change the world for good. She is a very active volunteer in community work and in various organizations that benefit children and families. She has always been very generous with her personal time and as a result, many of the less fortunate in our community have benefited.

In 2008, Baroness Moore organized the donation of several musical instruments to our local high school to keep the music program alive. The children in our community truly benefited from her generosity and untiring efforts and the City of Bell Gardens is very appreciative for this gesture.

Sincerely,

Jennifer Rodriguez
Mayor
